V. GENERAL INFORMATION

- **Cairo Local Time:**

Egypt is 2 hours ahead of Greenwich Mean Time (GMT+2). However, Summer time applies from the end of April until the end of October.

- **Weather:**

The best time of year to visit Cairo is from October to April. During these months the city experiences its mildest and pleasant temperatures.

Temperature: October sees a pleasant shift in temperatures, with daytime highs ranging from 20° C to 35° C (68° F to 95° F)

- **Currency Exchange:**

The currency used in Egypt is the Egyptian Pound. The commercial exchange rate is subject to change daily. Major international debit/credit cards including Visa and MasterCard are accepted in hotels in Egypt and in major department stores and restaurants.

- **Electricity:**

The electrical current in Egypt is 220 volts, 50 cycles alternating current (AC); electrical outlets take Continental-type plugs, with two round prongs.
